The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY, & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

## Wilton Springs Improved

Several weeks ago the Marshall churches united in an effort to clean up and beautify Wilton Springs. A great deal of work was done by volunteers and over a hundred dollars raised for lumber and material. During the work the men in charge observed a spring a short distance to the east of the old one and a pagoda was thought to be the proper thing for it. Rose & Buckner kindly volunteered to put up a nice pagoda on the Japanese style of architecture and these beautiful grounds will no doubt continue to grow in popularity as a picnic place.
